BLACK TIE OPTIONAL

Parkinson's Association of San Diego ("PASD") proudly presents its 2018 "Knock-Out" Parkinson's Gala. PASD offers critical resources to an estimated 60,000 individuals who have or are affected by Parkinson's disease in San Diego County. Services provided by PASD include information and resource identification, awareness and communication, support, education and training and other Parkinson's disease service-based programs.

Rasheda Ali

The Knock-Out Gala will feature keynote speaker, Ms. Rasheda Ali. Ms. Ali is an internationally known Author, Speaker, and PD Advocate who wrote, *I'll Hold Your Hand So You Won't Fall: A Child's Guide to Parkinson's Disease*, inspired by her children and her father, Muhammad Ali, who suffered from Parkinson's disease.

Your help is critical to sustain our outreach and our ability to serve the community. All contributions remain in San Diego County to help those with PD, their care partners and families. Please consider supporting the Knock-Out Gala.
