

COVID-19 and PARKINSON'S STUDY

La Jolla Institute for Immunology is studying how immune cells react in recovered donors with PD when exposed to inactivated particles of the coronavirus.

YOU MAY BE ELIGIBLE TO PARTICIPATE IF:

You are a generally healthy male or female, over 18 yrs of age.
You have PD, have been diagnosed by a health professional with COVID-19,
and/or have had a positive test for COVID-19.

We are also looking for older, healthy adults without PD that may have had
COVID-19, or not, to act as controls.

For more information or to get involved,
visit lji.org/study,
contact us at donors@lji.org
or
call/text **(858) 255-0680**

PARTICIPATION:

Consists of a brief health questionnaire and
1-2 study visits and will include 1-2 blood draws.
Volunteers will be contributing to scientific research.

Compensation up to \$125 for time and effort.
